TRUST

Commendation Proclamation

Willard L. Wheeler, Jr.

Will was one of our very first CGTC investors and Directors. Thankfully, due to his wisdom and guidance as Chairman of TIC, we were able to make it through the early, very lean years, and develop a reputation as a Firm with investment acumen and professionalism which allowed CGTC to prosper.

He will long be remembered for his unflappable sound judgements, knowledge of the markets, attention to details, and keen wit. Most of all, we will miss his friendship.
