### Bank Benchmarks

Two of the Gables' notable local financial institutions are celebrating important milestones. First, Coral Gables Trust is celebrating the 20th anniversary of its founding in the City Beautiful, and its 100 percent organic growth from startup to \$2.5 billion in managed assets, making it the leading independent, privately-owned trust company in South Florida. In a celebratory party at La Jolla Ballroom on Alcazar last month, Mayor Vince Lago said, "If you tell me someone has managed to assemble \$2.5 billion in wealth in this community in 20 years, that is something to be proud of."

CORAL GABLES TRUST'S JOHN HARRIS AND PRESIDENT & CEO DONALD KRESS

Gables Trust Managing Director John Harris, who is also chief wealth advisor, attributed the firm's success to its exceptional, locally focused client service – not to mention its success in growing client portfolios. Since its inception in the Gables, the firm has expanded to offices in Fort Lauderdale, Boca Raton, and Palm Beach.
